about SFF

Just the FACTS

- ▶ We will not be printing door hangers

- ▶ We will have drop off locations on November 14, for the community to drop food off at
- ▶ We will be giving you a PDF flyer for email and social media use
- ▶ We will need your help in spreading the word
- ▶ Most food banks will also accept monetary donations

Suggested Tips for Success

- ▶ Share this flyer more than once!
 - ▶ Post it on all your social medias...more than once!
- ▶ Ask your COR to put this in their bulletins, social medias, websites
 - ▶ Keep a tracker to identify who is doing it
- ▶ Build a Campaign to it
 - ▶ Record a Scout in uniform giving facts on hunger and how you can donate to help (under 2 min video)

Service Hour Ideas

- ▶ Scouts can make signs for the neighborhood
- ▶ Scouts can stand on busy street corners near drop off sites with additional signage
- ▶ Scouts can go to local businesses that are open and ask to put the flyer in their window
- ▶ If there is a local organization that is also accepting food in your area, you may use the fillable pdf flyer to guide donors there (please count the food though)
