

Our History

We are a young troop based in Fremont, CA, with a strong focus on integrity and character. Founded with just six scouts 2017, we are now over 34 with plenty of leadership opportunities for all.

Join us as scouts or as parents, as we learn and grow together in this life of adventure :)

Our Purpose

To use fun activities as a platform to learn **real life skills.**

To provide a **fun & safe place** for scouts to grow in **inner strength** and **character.**

To build up responsible **independence,** social & emotional **maturity,** and **moral integrity!**

We are a boy-led troop where the **scouts lead the planning** and **decision making** on their scouting journey.

Our activities

Ours is a very active troop, with two meetings and at least one outdoor activity ever month. Our scouts take part camping, hiking, biking, canoeing and snow sports. We will organize our participation in BSA high-adventure activities, when possible again.

These challenging times have not stopped our scouts from being active. We've meet online, camp virtually and collaborating remotely to help our frontline workers. We have kept a robust rate of advancement and offer many avenues for skills enhancements through merit badges and online classes.
