Update on the...

AB506 MANDATED REPORTER TRAINING

This new CA State Law went into effect 1/1/22

<https://californiascouting.org/>

ALL registered adults in Mission Peak must take the online training class and pay to be fingerprinted.

- You only need to take the online training **once**. You may share your certificate between the various youth-facing organizations you serve.
- You may **NOT** share fingerprints between organizations. You must pay for and be fingerprinted for **EACH** youth-facing organization you serve.

We recently sent a status report of the online training to the Unit Key3:

- **We are at about 57%** but need to be at 100%
- **Thank you to these Units who are @ 100%: P120, P132, & T155**
- The report is based off your old roster with some extra members & missing some new members. We hope to fix these errors for next month's report.
