

Dear Webelos II and Parents

In a few short months, your time in Cub Scouts will come to an end but your adventures in Scouts BSA can just begin. Scouts BSA is far different from Cub Scouts with more outdoor activities and camping and a larger set of things to do and explore. Now is the time to start looking for a Troop that matches your interests. In the Fremont, Newark, and Union City area, there are over 30 troops and each is unique. Some are small, some are large. Some like to do lots of high adventure camping and some tend to stay closer to the cars when camping.

What unit is right for the individual Scout? That is a hard question because everyone is different. Some Scouts like the environment offered a large Troop while some grow and prosper in smaller, quieter troops. The choice is the Webelos Scouts and their parents. We do encourage Webelos to look at several troops before deciding on one. An excellent place to start exploring your options is at the Mission Peak Troop Showcase, this coming month. The Showcase will be held at **Our Lady Guadalupe School**, 40374 Fremont Blvd (at St. Leonards Way).

The Mission Peak District has made a list of all of the Troops, when they meet and where they meet. In addition, Troops that are actively recruiting are providing flyers. All of this information can be found at: <https://missionpeakscouts.com/troop-showcase/>.

We do hope that as many Webelos IIs as possible take advantage of this opportunity to see what lies ahead of them in Scouts BSA. Parents: Do remember BSA Guidelines for Scout meetings. Because you may be exploring multiple Troops, we do ask that you accompany your Scout as they go from Troop to Troop at the Troop Showcase.
