BUILDING SKILLS FOR LIFE & HAVING FUN ALONG THE WAY

ABOUT TROOP 112

Based at **Niles Discovery Church**, Troop 112 is boy-led and adult-supported. Scouts are in charge of planning meetings, campouts, hikes, service projects, and troop and patrol activities. As we are a **smaller troop—around 25 scouts**—there are plenty of ways to get involved in leadership roles, which are required for rank advancement.

We meet on the 2nd and 4th Tuesday of each month at 7:00 p.m. at Niles Discovery Church, 36600 Niles Blvd., Fremont

FUN & ADVENTURE

One thing is certain within Troop 112 and that is how our scouts prioritize **having fun** as they learn, keeping them engaged and wanting to be active participants. In addition to monthly campouts and **epic summer camp adventures**, they've enjoyed hiking, orienteering, biking around the Bay Area, assisting with Eagle Scout projects, spinning signs at our annual Mr. Mikey's parking lot fundraiser, **community service projects**, and competing with other troops at Camporee.

BUILDING TOMORROW'S LEADERS TODAY

Troop 112 is incredibly proud of the fact that in 2023 four scouts have **earned their Eagle rank**, with two Life Scouts currently working on their projects. Our troop has consistently over the years empowered boys to advance in their ranks to earn this prestigious honor, helping them **stand out on college applications**. Our scouts are not only prepared for fundamentals in life, but also for being successful on their journey into college and adulthood.
